ESREA newsletter No. 1 March 2012

Dear ESREA member

Here is the first newsletter for 2012. As you will find, there are, so far, two more ESREA conferences planned for this year. For more information see www.esrea.org.

As I will be on paternity leave from May 1 to September 30, and during this time only work a few hours a week, the secretariat will not be as available as usually during that time. Therefore, the next newsletter will be out in October. Furthermore, the response time for e-mails sent to the secretariat will be longer than usual, and the ambition will be to answer e-mails once every 10 days during the time of my paternity leave.

Best wishes

Dr. Andreas Fejes

Associate Professor

Secretary of ESREA

Ongoing Research Project Portugal:

A new research project on ELDER CARE started in March 2011 at the University of Algarve – CIEO, Portugal, called “*The Other Side of the Caring Relation: The Views of the Older Person*” (ElderViews). This project is funded by the Portuguese Foundation for Science and Technology and is coordinated by José de São José (the research team is composed by: São José, José; Barros, Rosanna; Samitca, Sanda; and Teixeira, Ana). The project takes a perspective that has been underrepresented in previous research: the views of older people about their caring relationships. It aims to contribute to the implementation of better professional practices and social policies related to care. Contact: jsjose@ualg.pt
